Sensitivity - Normal (BBFC 12)

Communism, Socialism, Marxism and all their strands have proven, over the course of a century, that they are ideals based on murder. The other principles of Communism aside, the very fact that it requires murder to achieve and maintain condemns it to the history books as a tool for the death of humankind.

"I will not pretend that if I had to choose between Communism and Nazism I would choose Communism."
- Winston Churchill

General George S. Patton, in a letter to his wife: “I will probably

takes America.”

General Patton vs. the Jews
https://www.darkmoon.me/2016/general-patton-vs-the-jews/

“You must understand. The leading Bolsheviks who took over Russia were not Russians. They hated Russians. They hated Christians. Driven by ethnic hatred they tortured and slaughtered millions of Russians without a shred of human remorse. The October Revolution was not what you call in America the “Russian Revolution.” It was an invasion and conquest over the Russian people. More of my countrymen suffered horrific crimes at their bloodstained hands than any people or nation ever suffered in the entirety of human history. It cannot be understated. Bolshevism was the greatest human slaughter of all time. The fact that most of the world is ignorant of this reality is proof that the global media itself is in the hands of the perpetrators." “We cannot state that all Jews are Bolsheviks. But: without Jews there would have been no Bolshevism. For a Jew nothing is more insulting than the truth. The blood maddened Jewish terrorists murdered sixty-six million in Russia from 1918 to 1957.”
Aleksandr Solzhenitsyn (1918-2008), Nobel-Prize-winning novelist, historian and victim of Jewish Bolshevism.
